THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT.

Sir,

Re: the change in the situation of the existing three District Fund toll gates on Arsikere-Huliyar road.

I have the honor to state that a D.F. toll gate at Halkur with two branch toll gates at Bommenahalli and Donanakatte on Arsikere-Huliyar road was established after the receipt of G.O.No.L.2891/L.B. 99-29-5, dated 17th October 1929. After a little experience the toll gate at Donanakatte was changed to Kittanakere.

Forwarded with Compliments
R Sampigama Setty
Deputy Commissioner
(Incharge)
Hassan.
18-3-31

The right of collecting the toll at the above toll-gates was sold by public auction in November last and the concern was purchased for a sum of Rs 3,450/ for seven months commencing from December 1930 to end of June 1931 by one Mr. B.Ramakrishnachar.

After one month's experience the contractor observed that no carts pass through these gates except through carts running from Huliyar side and that many cartmen avoid passing through these gates by taking different cart tracks close to them.

He applied to the 1st Member of Council and to this

office on 5th Jany.1931 stating that the present position of the toll gates may be changed to (1) Doddametikurke, (2) Aggunda and (3) to a place near the 6th furlong stone of the first mile from Arsikere towards Huliyar as he has sustained heavy loss on account of the present situation of the gates.

I inspected the position of the existing toll gates and the proposed places for the change, and found that the latter are suitable. This being a maidan place, there is every possibility of taking the carts avoiding the gates resulting in loss of revenues.

The question of changing the places of the existing toll gates was considered by the Board at their meeting held on 14th Feby.31 and they resolved that the existing toll gates on the Arsikere-Huliyar road in the District may be shifted as follows:-

1. Kittankere toll gate to be shifted near Doddametikurke.
2. Halkur toll gate to be shifted near Aggunda.
3. Bommenahalli toll gate to be shifted beyond a furlong from the junction of Tirupathi road towards Huliyar side.

I therefore request that you will be so good as to obtain early sanction of Government to change the position of the exixting toll gates as proposed by the Board in order to improve the Revenue of the Board.

A copy of the resolution of the Board is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

BANGALORE.

Sir,

I the undersigned B. Ramakrishnachar Contractor Arsikere-Huliyar Road Tollgates, beg to represent the following few lines for your kind consideration and favourable orders.

In the recent sale of the right collection of Tollgates during seven months from December 1930 to the end of June 31. I purchased the concern for a heavy sum of Rs.3450/-. The Tollgates are situated at 1)Bommenahalli 2) Halkur 3) Donanakatte. From the experience of one month, I observe that no carts pass through these gates except through carts running from Huliyar side. Many cartmen avoid these gates by taking different by-paths close to the gates. Thus causing heavy loss to me. Moreover this being a midan place thereis every possibility of taking the carts at randum in jungle. To add to this misfortune owing to trade dipression, the usual trafic is much effected. Considering the heavy loss I am incurring every week without exception, I pray you will kindly cause the situations of Tollgates changed to these three places viz. 1) near Doddametikurki 2) near Aggunda 3) near 1st. mile 6th. furlong. In these places they cannot but pass on the road. The concern being new I was not able to understand the deffects at the time of the sale.

Taking all these above points to your kind consiseration I pray that early favourable orders will be passed by changing Tollgates positions for which act of kindness I will be ever thankful.

I beg to romain
Sir,
Your most obedient servant
